

# ASIAN AUSTRALIAN POLITICAL DONORS

## PROFILE:

Asian Australians have become a major political force over the last 20 years. Not only do they make up a large portion of new voter registrations - they actively participate in elections and help to get out their community vote! In addition, Asian Australians have been elected to local, state and national offices. The Asian Australian political donors tend to donate more during major election years, but they do donate when called upon to the political party they support.
